adjacent portion of the bed of Goose Lake for a proposed total lease area of approximately 9,391 acres. All other terms and conditions of the lease shall remain in effect without amendment.

**OTHER PERTINENT INFORMATION:**

1. The Applicant owns a portion of the uplands adjoining the Lease Premises.
2. On January 21, 1988, the Commission authorized a 25-year Grazing Lease to Bank of America, N.T. & S.A (B of A), which also owned the adjoining uplands. Pursuant to the terms of the lease, B of A assigned the Lease to Treasure Island Trailer Park, LP (Treasure Island) sometime after 1988. Effective April 8, 1991, the Commission approved an assignment of the Lease from Treasure Island to Warren Hopkins who subsequently transferred his ownership in the uplands to his trust. Upon Mr. Hopkins death in 2005 his interest was transferred to Hopkins Ranches, LLC without the benefit of Commission approval of the assignments of the Lease. On April 13, 2007, the uplands were deeded to El Cajon Retirement Residence Limited Partnership (El Cajon). The Lease will expire on September 31, 2012.
3. In 2009, staff became aware that certain sovereign lands in Goose Lake under Lease No. PRC 7165.1 may overlap with adjacent grazing lands currently used by the Pit River Tribe (Tribe). El Cajon has agreed to substitute approximately 2,233 acres of leased lands on the western side of the bed of Goose Lake for approximately 2,342 acres on the eastern side of the bed of Goose Lake with similar grazing potential. This substitution provides El Cajon with a total of approximately 9,391 acres of leased lands in the bed of Goose Lake for their grazing operation. Commission boundary staff has reviewed the exchange of leased lands and prepared the revised Land Description as shown on the attached Exhibit A. Staff will work with the Tribe towards the submission of a grazing lease application for the Commission's consideration sometime in 2010.
4. El Cajon is requesting approval of a sublease to Greg F. Harlan, dba Harlan Livestock. Staff has reviewed the sublease agreement and it is consistent with the terms of the Lease.
5. Staff is recommending ratification of the prior assignments of lease; approval of an amendment to Lease No. PRC 7165.1 to revise the Land Description to provide for the substitution of a portion the Lease Premises;

and approval of a sublease from El Cajon to Greg F. Harlan, dba Harlan Livestock.
