OTHER PERTINENT INFORMATION:

1. Applicants own the uplands adjoining the lease premises.
2. The State of California acquired fee ownership of the Huntington Harbour Main and Midway Channels in 1961 as a result of a land exchange entered into and recorded as Boundary Line Agreement 18, between the Commission and the Huntington Harbour Corporation. Appurtenances extending into these Channels are subject to lease pursuant to Public Resources Code section 6501, et seq. The Applicant's upland property is located along the Main Channel of Huntington Harbour.
3. On December 16, 1998, the Commission authorized the issuance of a Recreational Pier Lease, PRC 4443.9, to Peter K. Kompaniez and Valerie J. Kompaniez, Trustees of the Kompaniez 1998 Family Trust dated February 10, 1998, for a ten-year term, effective November 1, 1998. The lease expired on October 31, 2008. The Applicants are now applying for a new General Lease – Recreational Use for the existing boat dock and access ramp as well as for the existing cantilevered deck and boat lift, not previously authorized by the Commission. A five-foot portion of the cantilevered deck extends over the State's fee ownership in the Main Channel of Huntington Harbour. Since the deck and boat lift are existing, staff is recommending that they be included in the lease.
4. The existing boat dock, access ramp, and boat lift qualify for rent-free status as the Applicants are natural persons who own the littoral land improved with a single-family dwelling pursuant to Title 2, California Code of Regulations, sections 2002 (f) and 2003 (a)(5).
5. The cantilevered deck does not qualify for rent-free status because it is not used for the mooring of boats. Therefore, that portion of the deck extending over State fee ownership within the Harbour is subject to annual rent pursuant to Title 2, California Code of Regulations, sections 2003 (4) and 2002 (b)(3).
6. **Existing Boat Dock and Access Ramp:** Pursuant to the Commission's delegation of authority and State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1 Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).
