CALENDAR ITEM NO. **C16** (CONT'D)

SPECIFIC LEASE PROVISIONS:

Insurance:

Liability insurance in the amount of no less than \$3,000,000.

Bond:

Surety in the amount of \$20,000.

Other:

1. 30 days prior to start of any concession operations on the Lease Premises, Lessee must submit a detailed plan of operation for Lessor's staff's review and approval, and submit copies of permits and authorizations from all applicable agencies.
2. The lease requires that the Lessee implement the State Lands Commission's (Commission) "Best Management Practices for Guest Dock Users and Boaters," including additional Best Management Practices (BMPs) the Commission subsequently deems appropriate for either of the above categories. Lessee shall post the "BMPs for Guest Dock Users and Boaters" in prominent places within the Lease Premises. The Lessee shall provide the Commission, on the first anniversary of the lease and tri-annually thereafter, a report on compliance with all BMPs.

OTHER PERTINENT INFORMATION:

1. Applicant owns the uplands adjoining the lease premises.
2. On December 16, 1998, the Commission authorized a 10-year General Lease – Recreational Use with Homewood Marina Lodge for construction, use, and maintenance of a restaurant accommodation pier. That lease expired on September 30, 2008. On August 13, 2010, the upland parcel was sold to WSC Investors, LLC (WSC). WSC is now applying for a General Lease – Commercial Use and approval of a sublease of the pier to Homewood Village Resorts, LLC.
3. The upland parcel is improved with a building containing a restaurant, known as the West Shore Café, exercise room, and six upstairs tourist accommodation lodging units. WSC leases the upland and all improvements to Homewood Village Resorts, LLC (Homewood Village). In addition to a new lease, WSC is requesting approval of a sublease of the Lease Premises to Homewood Village for a term of 15 years, beginning August 13, 2010. All terms of the sublease agreement are consistent with the terms of the lease.
4. After obtaining operation permits from all applicable agencies, Homewood Village plans to extend the café food and beverage service and

accommodate weddings and other reception events on the pier during the summer months. Prior to the start of these operations, a detailed schedule and plan must be submitted to Commission staff for review and approval along with copies of all permits.

5. The pier is open to the public and is improved with two three-foot wide catwalks to facilitate loading and unloading of the public and guests from their boats. The pier is also improved with steps on both sides to provide continuous shoreline access to the Public Trust Easement below the high water mark of elevation 6228.75 feet, Lake Tahoe Datum.
6. **Pier:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

7. **Sublease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of CEQA because it is not a "project" as defined by CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, sections 15060 (c)(3) and 15378.

8. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
