OTHER PERTINENT INFORMATION:

1. Applicants own the uplands adjoining the lease premises.
2. The State of California acquired fee ownership of the Huntington Harbour Main and Midway Channels in 1961 as a result of a land exchange entered into and recorded as Boundary Line Agreement 18, between the Commission and the Huntington Harbour Corporation. Appurtenances extending into these Channels are subject to lease pursuant to Public Resources Code sections 6501, et seq. The Applicants' upland property is located along the Main Channel of Huntington Harbour.
3. On November 7, 1997, the Commission authorized the issuance of a Recreational Pier Lease, Lease No. PRC 7996.9, to Frank B. and Donna L. DeGelas, for a 10-year term, effective October 1, 1997. The lease was for a boat dock and access ramp. On April 4, 2003, the upland property was transferred to Frank B. DeGelas and Donna L. DeGelas, as Trustees of the Frank and Donna DeGelas Trust, Dated February 27, 2003. The lease expired September 30, 2007.
4. Subsequent to the issuance of the Recreational Pier Lease, the Commission authorized a General Lease – Protective Structure Use, Lease No. PRC 8280.9, to the same lessees. The lease authorized the repair of an existing bulkhead which included all or some of the following: (1) existing pile repair; (2) placement of sheet piles; (3) installation of rock slope protection. The 10-year lease expired March 31, 2011.
5. After various delays, the California Coastal Commission approved Coastal Development Permit (CDP) # 5-06-437 on December 12, 2006 for the applicants' bulkhead repair project. The installation of rock slope protection was completed on February 12, 2008.
6. In order to accommodate the existing improvements, the Applicants are now applying for a new General Lease – Recreational and Protective Structure Use. The proposed new lease will provide for the boat dock, access ramp, and the rock slope protection previously authorized by the Commission, and for the retention of an existing cantilevered deck, not previously authorized by the Commission. A five-foot portion of the cantilevered deck extends over the State's fee ownership on the Main Channel of Huntington Harbour.
7. The existing boat dock and access ramp qualify for rent-free status as the Applicant is a natural person who owns the littoral land improved with a single-family dwelling pursuant to Public Resources Code section 6503.5.

CALENDAR ITEM NO. **C43** (CONT'D)

8. The cantilevered deck does not qualify for rent-free status because it is not used for the mooring of boats. Therefore, that portion of the deck extending over State fee ownership within the Harbour is subject to annual rent pursuant Public Resources Code section 6503.5.
