This is a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the U.S. District Court invalidated the FEIS and nullified the Amendments. When additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA FEIS and amended ordinance issues.

OTHER PERTINENT INFORMATION:

1. Applicant owns the upland adjoining the lease premises.
2. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law is effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission "shall charge rent for a private recreational pier constructed on state lands." The law provides for two exceptions to the imposition of rent. Those exceptions are for:
 - A. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
 - B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

The application was submitted to the Commission prior to March 31, 2011

3. The Applicant's two existing mooring buoys have been in Lake Tahoe for many years but have not been previously authorized by the Commission..
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, Cal. Code of Regs., section § 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905 subdivision (a)(2).

Authority: Public Resources Code section 21084 and, California Code of Regulations, Title 14 section 15300 and California Code of Regulations, Title 2, section subdivision 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
