CALENDAR ITEM NO. **C57** (CONT'D)

2. The State of California acquired fee ownership of the Huntington Harbour Main and Midway Channels in 1961 as a result of a land exchange entered into between the Commission and the Huntington Harbour Corporation, recorded as Sovereign Lands Location No. 34 dated December 22, 1960 and recorded on January 31, 1961 in Book 5611, Page 470, Official Records, Orange County, California. Projects, including new development or maintenance of existing facilities, extending into these Channels beyond the bulkhead line require a lease from the Commission pursuant to Public Resources Code section 6501.1. The Applicants' upland property is located along the Main Channel of Huntington Harbour.
3. On June 28, 2010, the Commission approved the issuance of a General Lease – Recreational Use, PRC 5761.9, for a 10-year term to Joseph Fan and Julia T. Sun for the continued use and maintenance of an existing boat dock and access ramp, and retention of an existing cantilevered deck. This lease was never executed.
4. On October 29, 2010, while the application for the above Commission authorization was being processed, the upland property was deeded to the Applicants. Staff was not informed of this until after the June 2010 Commission authorization. The Applicants are now applying for a new lease.
5. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law is effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission “shall charge rent for a private recreational pier constructed on state lands.” The law provides for two exceptions to the imposition of rent. Those exceptions are for:
 - A. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
 - B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

The proposed lease does not meet either of the statutory exceptions and is thus subject to rent.
