CALENDAR ITEM NO. C23 (CONT'D)

2. On June 28, 2007, the Commission authorized a 10-year General Lease – Recreational and Protective Structure Use to Natalie A. Brown for the continued use and maintenance of an existing uncovered floating boat dock, two wood pilings, gangway, and bank protection. Shortly after Commission authorization, Natalie A. Brown transferred ownership in the upland property to Michael A. Di Grazia, as Trustee of the Michael A. Di Grazia Revocable Trust created on July 19, 2006 and did not execute the lease. Staff is now requesting that the June 28, 2007 authorization issuing a lease to Natalie A. Brown be rescinded and that a new General Lease – Recreational and Protective Structure Use be issued to the Applicant.
3. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law is effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission “shall charge rent for a private recreational pier constructed on state lands.” The law provides for two exceptions to the imposition of rent. Those exceptions are for:
  - A. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
  - B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

Because the application and application fees were submitted after March 21, 2011, the lease does not meet the statutory requirements for an exception to recently enacted changes to Section 6503.5 of the Public Resources Code.

4. The bank protection will mutually benefit both the public and the Applicants. The bank of the Sacramento River will have additional protection from wave action provided at little cost to the public.
5. **Rescind Approval of a Lease:** The staff recommends that the Commission find that the subject rescission of approval does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

CALENDAR ITEM NO. **C23** (CONT'D)

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

6. **Issuance of a New Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Cal. Code Regs., tit. 14, § 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

7. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

**RECOMMENDED ACTION:**

It is recommended that the Commission:

**CEQA FINDING:**

**Rescind Approval of a Lease:** Find that the activity is exempt from the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15060, subdivision (c)(3), because the subject activity is not a project as defined by Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378.

**Issuance of a New Lease:** Find that the activity is exempt from the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15061 as a categorically exempt project, Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

**SIGNIFICANT LANDS INVENTORY FINDING:**

**AUTHORIZATION:**
