Michael James King, Trustee of the Michael James King Separate Property Trust Dated 6/29/99

AREA, LAND TYPE, AND LOCATION:

Sovereign land located in Lake Tahoe, adjacent to 6970 West Lake Boulevard, near Tahoma, Placer County.

AUTHORIZED USE:

Continued use and maintenance of an existing pier, boat lift, and two mooring buoys.

LEASE TERM:

The proposed lease contains a provision which requires the Applicant to obtain authorization from the Tahoe Regional Planning Agency (TRPA) for the mooring buoys within two years after the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately

1995 to October 2008 when TRPA adopted a FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the US District Court invalidated the FEIS and nullified the ordinances. TRPA is presently evaluating its response. At such time as additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA EIS and ordinance issues.

2. Lessee expressly acknowledges and agrees that issuance of a lease does not substitute for, or provide preference in, obtaining authorizations from the TRPA or any other regulatory agency for the improvements authorized by the Commission.

OTHER PERTINENT INFORMATION:

1. Applicant owns the upland adjoining the lease premises.
2. On November 21, 2006, the Commission authorized a Recreational Pier Lease to Lawrence Krames, Trustee for the Lawrence Krames Revocable Trust Dated March 24, 1988. That lease will expire on September 22, 2016. On September 3, 2013, interest in the littoral parcel was conveyed to Michael James King, Trustee of the Michael James King Separate Property Trust Dated 6/29/99. The Applicant is now applying for a General Lease – Recreational Use.
3. Staff recommends terminating the existing lease because the Lessee cannot be located for execution of a lease quitclaim deed.
4. **Lease Termination:** The staff recommends that the Commission find that the subject lease termination does not have a potential for resulting in either a direct or reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

5. **Issuance of a New Lease:** The staff recommends that the Commission find that the issuance of a lease is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
