12 mooring buoys, and two marker buoys. The Lease will expire on June 2, 2025.

3. Staff conducted the rent review called for in the lease. Application of the updated benchmark, along with changes to the impact area resulted in a slight increase in rent from \$4,760 to \$4,763. Staff recommends the lease be amended to reflect the new impact area and recommends the rent be revised from \$4,760 to \$4,763.
4. The staff recommends that the Commission find that the subject lease amendment and revision of rent do not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and are, therefore, not projects in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.
