3. The lease contains provisions stating that the existing cabin on the lease premises, as shown on the attached Exhibit B, cannot be expanded, and if repairs to any portion of the existing cabin on the lease premises cost more than 50 percent of the base value of the cabin, then the cabin must be removed from the lease premises.

On June 12, 2012, the upland was deeded to Edward R. Frazer, Trustee of the Edward R. Frazer Family Trust (E.R.F's S.P.), dated October 2, 2002. The Applicant is now applying for a General Lease – Recreational Use.
3. The cabin does not interfere with the public's trust needs at this location and time and for the foreseeable term of the proposed lease. As such, staff recommends bringing the portion of the cabin located on state land under lease.
4. The staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
