### **STAFF ANALYSIS AND RECOMMENDATION:**

#### **Authority:**

Public Resources Code sections 6005, 6216, 6301, 6501.1, 6503 and 6503.5; California Code of Regulations, title 2, sections 2000 and 2003.

#### **Public Trust and State's Best Interests Analysis:**

On December 3, 2007, the Commission authorized a 10-year Recreational Pier Lease, Lease No. PRC 4993.9, for an existing pier, boathouse, and two mooring buoys to Craig P. Filice ([Item C01, December 3, 2007](#)). That lease expired on April 7, 2017. The Applicant is now applying for a General Lease – Recreational Use for the continued use and maintenance of an existing pier, boathouse, and two mooring buoys.

The Applicant owns the upland adjoining the lease premises. The subject facilities are privately owned and maintained. The pier, boathouse, and two mooring buoys are used for the docking and mooring of boats and facilitate recreational boating. Recreational boating is a water-dependent use that is generally consistent with the common law Public Trust Doctrine. The California Legislature has identified private recreational boating facilities as an authorized use of Public Trust land (Pub. Resources Code, § 6503.5).

The subject facilities have existed for many years at this location. The pier is built on pilings, which allows the public to navigate or walk next to and, at lower water levels, under the pier. The immediate area of the existing pier is gently sloped with cobblestones and a sandy portion of the shore with pebbles. The buoys are located directly lakeward of the upland property and occupy a relatively small area of the lake.

The proposed lease does not alienate the State's fee simple interest or permanently impair public rights. The lease is limited to a 10-year term, does not grant the lessee exclusive rights to the lease premises, and reserves an easement to the public for Public Trust-consistent uses. Upon termination of the lease, the lessee may be required to remove all improvements from State land.

The proposed lease requires the lessee to insure the lease premises and indemnify the State for any liability incurred as a result of the lessee's

activities thereon. The lease also requires the payment of annual rent to compensate the people of the State for the occupation of the public land involved. For all the reasons above, staff believes the issuance of this lease is consistent with the common law Public Trust Doctrine and is in the best interests of the State.

**OTHER PERTINENT INFORMATION:**

1. This action is consistent with Strategy 1.1 of the Commission's Strategic Plan to deliver the highest levels of public health and safety in the protection, preservation, and responsible economic use of the lands and resources under the Commission's jurisdiction and Strategy 1.3 to promote, expand, and enhance appropriate public use and access to and along the State's inland and coastal waterways.
2. Staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, title 14, section 15300 and California Code of Regulations, title 2, section 2905.

3. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon staff's consultation with the persons nominating such lands and through the CEQA review process, it is staff's opinion that the project, as proposed, is consistent with its use classification.

STAFF REPORT NO. **C18** (CONT'D)

**PUBLIC TRUST AND STATE'S BEST INTERESTS:**

**SIGNIFICANT LANDS INVENTORY FINDING:**

Find that this activity is consistent with the use classification designated by the Commission for the land pursuant to Public Resources Code section 6370 et seq.

**AUTHORIZATION:**

Authorize issuance of a General Lease – Recreational Use to the Applicant beginning April 8, 2017, for a term of 10 years, for the continued use and maintenance of an existing pier, boathouse, and two mooring buoys, as described in Exhibit A and shown on Exhibit B (for reference purposes only) attached and by this reference made a part hereof; annual rent in the amount of \$1,351, with an annual Consumer Price Index adjustment; and liability insurance in an amount no less than \$1,000,000 per occurrence.
