3 CHAIRMAN CORY: It has been established that all
4 of us are here. I acknowledge that the Executive Officer
5 has informed us that the Long Beach matter is off calendar
6 because they have some problems they're working on, and
7 the question before us is the approval of the application
8 for resumption of exploratory drilling on Coal Oil Point,
9 Santa Barbara County.

10 Is there anybody in the audience on this item?
11 (No response.)

12 CHAIRMAN CORY: Mr. Executive Officer, do you
13 have any comments on where we are on this?

14 MR. NORTHROP: We are in the process of
15 negotiating some problems. You have in front of you a letter
16 I received this morning, dated October 3rd, in which ARCO
17 has agreed that they will put out all good faith efforts
18 to reach a mutual agreement to resolve these problems. With
19 that, Mr. Chairman, the staff recommends approval of the
20 calendar item.

21 CHAIRMAN CORY: Any questions from the
22 Commissioners?

23 (No response.)

24 CHAIRMAN CORY: Objections?

25 (No response.)
