GENERAL LEASE – OTHER

APPLICANT:

237 North First Street Holdings, LLC

PROPOSED LEASE:

AREA, LAND TYPE, AND LOCATION:

Filled sovereign land in the historic bed of the Guadalupe River, adjacent to Highway 237 and the Guadalupe River, San José, Santa Clara County.

AUTHORIZED USE:

Cleanup, rehabilitation, use, and maintenance of the existing fencing and open space, including removal of surface trash and debris.

LEASE TERM:

10 years, beginning upon full execution of the lease, but no later than August 23, 2020.

CONSIDERATION:

The public use and benefit, with the State reserving the right at any time to set a monetary rent if the Commission finds such action to be in the State's best interests.

SPECIFIC LEASE PROVISIONS:

- Liability insurance in an amount no less than \$2 million per occurrence.
- Lessee shall work with the City of San Jose to develop a homeless encampment relocation plan.

STAFF ANALYSIS AND RECOMMENDATION:

Authority:

Public Resources Code sections 6005, 6106, 6216, 6301, 6501.1, and 6503; California Code of Regulations, title 2, sections 2000 and 2003.

STAFF REPORT NO. 14 (CONT'D)

Public Trust and State's Best Interests Analysis:

The Applicant has applied for a General Lease – Other to clean up and maintain existing open space located in the historic bed of the Guadalupe River and surrounding area. The purpose of the cleanup activity is to improve the site through removal of surface trash and debris, thereby allowing the site to restore itself naturally and passively, over the term of the lease, to the original scenic view. The Applicant owns the upland adjoining the lease premises.

The state gained ownership of the parcel through a land exchange with Santa Clara County Flood Control and Water District ([Item 16, March 1, 1971](#)). The land exchange resulted in improvements to navigation, flood control protection, and enhancements to the configuration of the Guadalupe River. The authorization also included deposit of fill and improvement of the historic bed of the Guadalupe River. The current location of the Guadalupe River can be accessed by the public via the Guadalupe River Trail.

The cleanup area is left over from the re-channelization of the Guadalupe River. The filled channel and surrounding land are currently the location of several homeless encampments that have damaged native plant material and wildlife habitat. A two-alarm, 5-acre fire of undetermined origin occurred at the site on July 18, 2019, and caused the temporary closure of at least one lane of westbound Highway 237.¹ The fire underscores the urgency of improving conditions at the site to protect the natural environment, public health and safety, and prevent an emergency.

As part of an effort to reach out to the on-site homeless community, staff contacted the City of San José, Housing Department, Homelessness Response Team (Team). The Team provided a listing of services, and Commission staff provided this information to the Applicant. The information from the Team included several resources for the community experiencing homelessness, including housing and rental assistance. The Applicant has advised staff of their interest in assisting the on-site homeless community with relocation expenses, such as general moving costs and has agreed to donate funds to the City's Housing Department as part of a more sustainable, long-term plan to provide services and housing to the homeless.

Municipalities generally have broad powers to act on behalf of public health and safety within their boundaries. Staff recommends that the Commission direct the Executive Officer to send a letter to the City of San

¹ <https://www.nbcbayarea.com/news/local/Firefighters-Battle-Brush-Fire-in-San-Jose-512906411.html>

STAFF REPORT NO. 14 (CONT'D)

José (City) acknowledging that law and code enforcement activities to protect the public health and safety are within the City's police powers and expressly giving permission to access sovereign land at this location for such protective activities.

The Guadalupe River Trail is adjacent to the cleanup site, so the public will have the ability to observe the restoration as it naturally occurs. Although the public can access the site from the Guadalupe River Trail, a steep grade exists from the trail to the site. Once the site is free of debris, the Applicant will hire a company to conduct a site study of plants and animals.

Staff recommends that authorization of the lease be conditioned upon the Applicant developing a plan with the City to facilitate relocation of persons experiencing homelessness at the site. Specifically, staff requests that the Commission authorize the Executive Officer to review the proposed plan for compliance with the lease provisions, and, if determined to be sufficient, approve the plan and authorize staff to execute the lease.

The proposed cleanup is considered beneficial because it will restore the open space site by allowing the area to recover naturally. The Applicant will actively manage the site and must carry liability insurance to protect the state from any incidents or damage that could occur due to the lease activities. The lease does not alienate the State's fee simple interest, or permanently impair public rights. The lease is limited to a 10-year term and does not grant the lessee exclusive rights to the lease premises. The non-exclusive nature of the lease means that other parties could potentially propose additional activities or projects to more actively restore habitat or develop public access and recreation uses at the site. Furthermore, the action will not impede or impair any other Public Trust uses in the area.

Climate Change:

As stated in *Safeguarding California Plan: 2018 Update* (California Natural Resources Agency 2018), climate change is projected to increase the frequency and severity of natural disasters related to flooding, fire, drought, extreme heat, and storms. The lease area is primarily open land with moderate to low vegetation fuels and are vulnerable to the above events, including drought and the threat of wildland fires. The former channel of the Guadalupe River does not become inundated. Regular maintenance of vegetation within the lease premises will help minimize the threat of fire hazards to the lease premises.

STAFF REPORT NO. 14 (CONT'D)

Conclusion:

For all the reasons above, staff believes the proposed lease is consistent with the common law Public Trust Doctrine and is in the best interests of the State.

OTHER PERTINENT INFORMATION:

1. Approval or denial of the application is a discretionary action by the Commission. Each time the Commission approves or rejects a use of sovereign land, it exercises legislatively delegated authority and responsibility as trustee of the State's Public Trust lands as authorized by law. Upon expiration or prior termination of the lease, the lessee has no right to a new lease or to renewal of any previous lease.
2. This action is consistent with Strategy 1.1 of the Commission's Strategic Plan to deliver the highest levels of public health and safety in the protection, preservation and responsible economic use of the lands and resources under the Commission's jurisdiction and Key Action 1.2.4 to prioritize the use of sovereign lands where appropriate for open space, wetlands, riparian habitat and habitat preservation, restoration, and enhancement.
3. Staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a statutorily exempt project. The project is exempt under Public Resources Code section 21084, subdivision (b)(4), and California Code of Regulations, title 14, section 15269, subdivision(c), Emergency Projects, specific actions necessary to prevent or mitigate an emergency.
4. Staff also recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 4, Minor Alterations to Land; California Code of Regulations, title 14, section 15304, and title 2, section 2905 subdivision (d)(3), Removal of derelict or hazardous structures.

Authority: Public Resources Code sections 21080 and 21084; and California Code of Regulations, title 14, sections 15260 and 15300; and title 2, section 2905.

- B. Site and Location Map
- C. City of San José Homeless Services List

STAFF REPORT NO. 14 (CONT'D)

RECOMMENDED ACTION:

It is recommended that the Commission:

CEQA FINDING:

1. Find that this activity is exempt from the requirements of CEQA as a statutorily exempt project pursuant to Public Resources Code section 21084, subdivision (b)(4), and California Code of Regulations, title 14, section 15269, subdivision(c), Emergency Projects, specific actions necessary to prevent or mitigate an emergency.
2. Find that the activity is also exempt from the requirements of CEQA pursuant to California Code of Regulations, title 14, section 15061 as a categorically exempt project, Class 4, Minor Alterations to Land and title 2, section 2905, subdivision (d)(3); Class 4, Minor Alteration to Land, Removal of derelict or hazardous structures.

PUBLIC TRUST AND STATE'S BEST INTERESTS:

Find that the proposed lease will not substantially impair the public rights to navigation and fishing or substantially interfere with the Public Trust needs and values at this location, at this time, and for the foreseeable term of the lease; is consistent with the common law Public Trust Doctrine; and is in the best interests of the State.

AUTHORIZATION:

1. Authorize issuance of a General Lease – Other to the Applicant, execution conditioned on approval of the plan described in item 2 of this Authorization; beginning upon full execution of the lease, but no later than August 23, 2020, for a term of 10 years, for the cleanup, rehabilitation, use, and maintenance of the existing open space, including removal of surface trash and debris, as described in Exhibit A and shown on Exhibit B (for reference purposes only), attached and by this reference made a part hereof; consideration being the public use and benefit, with the State reserving the right at any time to set a monetary rent if the Commission finds such action to be in the State's best interests.
2. Authorize the Executive Officer to review the plan formulated by the Applicant and the City pursuant to the terms of the lease to facilitate relocation of persons experiencing homelessness at the site, to review the plan for compliance with the lease provisions, and, if deemed sufficient, approve the plan and authorize staff to execute the lease.

STAFF REPORT NO. **14** (CONT'D)

3. Direct the Executive Officer to send a letter to the City of San José acknowledging that law and code enforcement activities to protect the public health and safety are within the City's police powers and expressly give permission to access sovereign land at this location for such protective activities.

EXHIBIT "A"**LAND DESCRIPTION**

A portion of the lands of the Santa Clara Valley Water District (formerly the Santa Clara County Flood Control and Water District) as described in the deed from City Title Insurance Company, recorded in Book 5743 at Page 369, Official Records of Santa Clara County, California, more particularly described as follows:

BEGINNING at a point on the northerly line of State Route 113A, said point being the southwesterly corner of Parcel "E" as described in said deed; thence leaving said northerly line along the westerly line of said Parcel "E", N 13°23'39" W, 108.75 feet; thence along a tangent curve to the left, having a radius of 1765.50 feet, through a central angle of 02°22'07", for an arc distance of 72.99 feet to the northerly boundary of Rancho Embarcadero de Santa Clara; thence along the northerly line of said Rancho, also being the northwesterly line of said Parcel "E" the following 4 (four) courses:

1. N 65°57'30" E, 29.30 feet
2. N 10°02'30" W, 250.80 feet
3. N 25°57'30" E, 244.20 feet and
4. N 59°27'30" E, 345.47 feet;

Thence leaving the northerly line of said Rancho and northwesterly line of said Parcel "E", S 04°56'29" E, 803.95 feet to a point on the northerly line of State Route 113A; Thence along the northerly line of State Route 113A the following 2 (two) courses:

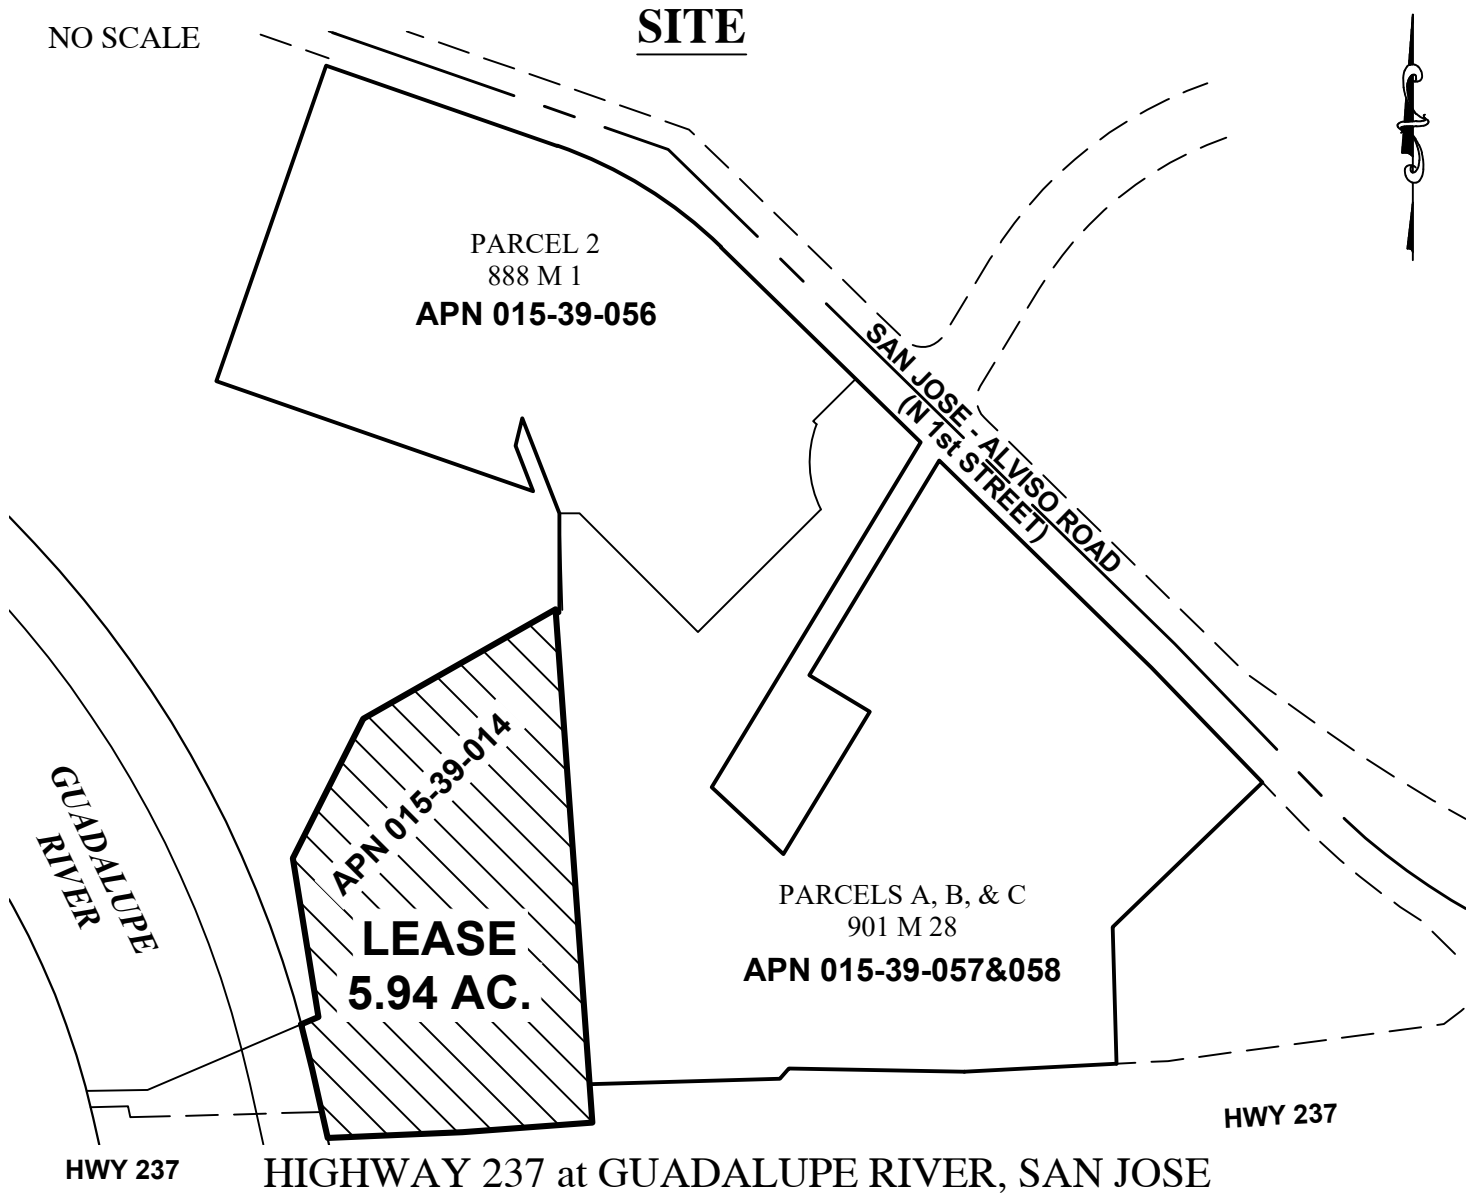

1. S 85°03'31" W, 203.22 feet and
2. S 86°44'50" W, 211.02 feet to the POINT OF BEGINNING.
